**Juvenile Arrested and Charged After Assault at the High School**

On Thursday, March 10th at approximately 12:00pm, an assault occurred at the New Brunswick High School when a 16 year old male student attacked a 15 year old male student; punching and kicking him multiple times. The victim suffered injuries to his nose, teeth, and upper torso as a result of the assault. A preliminary police investigation suggests that the motive behind the assault stemmed from an argument over a female student. The 16 year old male suspect was detained at the High School and was charged with assault related offenses. Anyone with additional information regarding this assault is asked to call Detective Jamaal James at (732) 745-5222.
