135 Crash Description

On 8/19/16 at 17:07, PO Puccio and I (PO Reed) responded to the intersection of Joyce Kilmer Avenue and Bayard Street for a motor vehicle accident with injuries.

Upon our arrival we met with the driver of V2, who was being evaluated by EMS. The driver of V2 stated that she proceeded through the intersection when the light turned green and the driver of V1, who had the red light went through the intersection and collided with the passenger side of her vehicle. A witness who did not want to be identified, who was directly behind V2 confirmed that they did have the green light before the collision occurred. The driver of V2 was then transported to Robert Wood Johnson for further evaluation. V2 was able to be driven from the scene.

The occupants of V1 stated they did not have any complaints of pain at the time and refused medical attention. The driver of V1 stated that he had the green light before entering the intersection and the V2 had the red light, causing the collision. Damage was noticeable to the front bumper of V1 and was able to be driven from the scene.

Involved parties were given a case number for the incident and explained how to obtain a copy of the report. No summons were issued to either party.

135 Crash Description

Driver #1 stated he was driving east bound on Ward St toward Lee Ave when he came to a stop at the intersection. He observed vehicle #2 traveling slowly on Lee Ave toward Ward St but appeared to be distracted as he was looking at pedestrians walking on the sidewalk. Driver #1 then began to accelerate to cross the intersection when he observed vehicle #2 also accelerate and strike vehicle #1 on the driver side of the vehicle. The driver of vehicle #2 then exited the vehicle and immediately fled on foot from Lee Ave toward Lawrence St and out of sight.

Vehicle #1 was observed to have moderate damage to the driver side of the vehicle.

It should be noted that the driver of vehicle #1 was found to be unlicensed. A good Samaritan in the area agreed to drive his vehicle out of the roadway and park it in front of his residence (166 Ward St)

Vehicle #2 was observed to have major damage to the front of the vehicle

It should also be noted that the registered owner of vehicle #2 arrived on scene and advised officers that her cousin "Jacob Hernandez" called her and advised her he was driving her vehicle and was involved in an accident. The driver fled the area because he was scared. When asked how did the driver have the keys to the vehicle, the registered owner stated that the keys were easily accessible inside her residence. She advised officers that she was going to contact the driver and have him contact Police so he could provide his pertinent information

Dependable towing arrived on scene and towed vehicle #2 to their secure lot.

Summonses were issued to driver #1 for failing to yield the right of way and being an unlicensed driver.

I have nothing further to report at this time.

135 Crash Description

Driver #1 Stated: That she was inside the food market at 333 Suydam Street when one of the other employees alerted her that her vehicle that was parked in the parking lot of 333 Suydam Street had been struck by another vehicle. Her vehicle sustained moderate damage to the front driver's side headlight, quarter panel, and front bumper during the collision.

It should be noted that I watched vehicle #2 (a white panel, work Van) strike vehicle #1 via the video surveillance system on the outside of 333 Suydam Street. The video was not clear enough to make out a license plate on the aforementioned vehicle.

135 Crash Description

On 8/21/2016 Officer Yurkovic and I were dispatched to route 1 northbound in front of the Exxon gas station. Dispatch advised us the vehicle had crashed and was possibly on fire. New Brunswick Fire Dept. was in route.

Upon arrival we observed a black Audi (NJ I64GBN) on the grass median. New Brunswick Fire Department was on scene extinguishing the vehicle fire. We spoke with the driver Hazim Hassan who stated he had stomach pain as a result of the crash. EMS was notified and treated Hassan on scene. Hassan stated he was taking the exit ramp when he lost control of the vehicle. The vehicle then traveled over three curbs and came to rest on a grass median. After the vehicle came to a stop the front portion of the car caught on fire. Vehicle was towed by Dependable Automotive.
