135 Crash Description

On 07-06-2016, I Officer Jones responded to 77 Tunison Road for the report of a motor vehicle accident. During time of dispatch, I was entering the round about at the beginning of Tunison Road. I arrived on scene within seconds. I was attired in full uniform of the day and driving in marked unit 990.

Upon arrival at 77 Tunison Road, which was the scene of the accident, I spoke with the registered owners of Vehicle 1 (NJ M78GTE) and Vehicle 2 (NY HGJ6993) for no longer than 30 seconds. They stated that a vehicle had sideswiped both vehicle 1 and vehicle 2 while they were parked in front of the house on Tunison Road. The residents of 77 Tunison Road were inside of the house when the crash occurred. The residents of 77 Tunison Road did not observe the accident but they did hear the accident and were able to quickly observe the black sedan driving away, while looking out of the front window.

Two residents of 77 Tunison Road were able to immediately follow the the suspect vehicle and they were able to follow the suspect to his residence at 23 Stockton Road. They stated that they observed the black sedan back into the driveway at 23 Stockton Road and the driver jump out of the vehicle and run into the house quickly.

I then immediately responded to 23 Stockton Road. There, I observed a Black vehicle parked in the driveway (N.J C94GMI). The vehicle in the driveway had severe damage to the front passenger side and the front passenger tire was off of the vehicle. There, I spoke with the two residents of 77 Tunison Road that followed the driver to 23 Stockton Road. They explained to me that the driver ran into the house. This conversation occurred in front of 23 Stockton Road. All of these events occurred within minutes of the dispatched call.

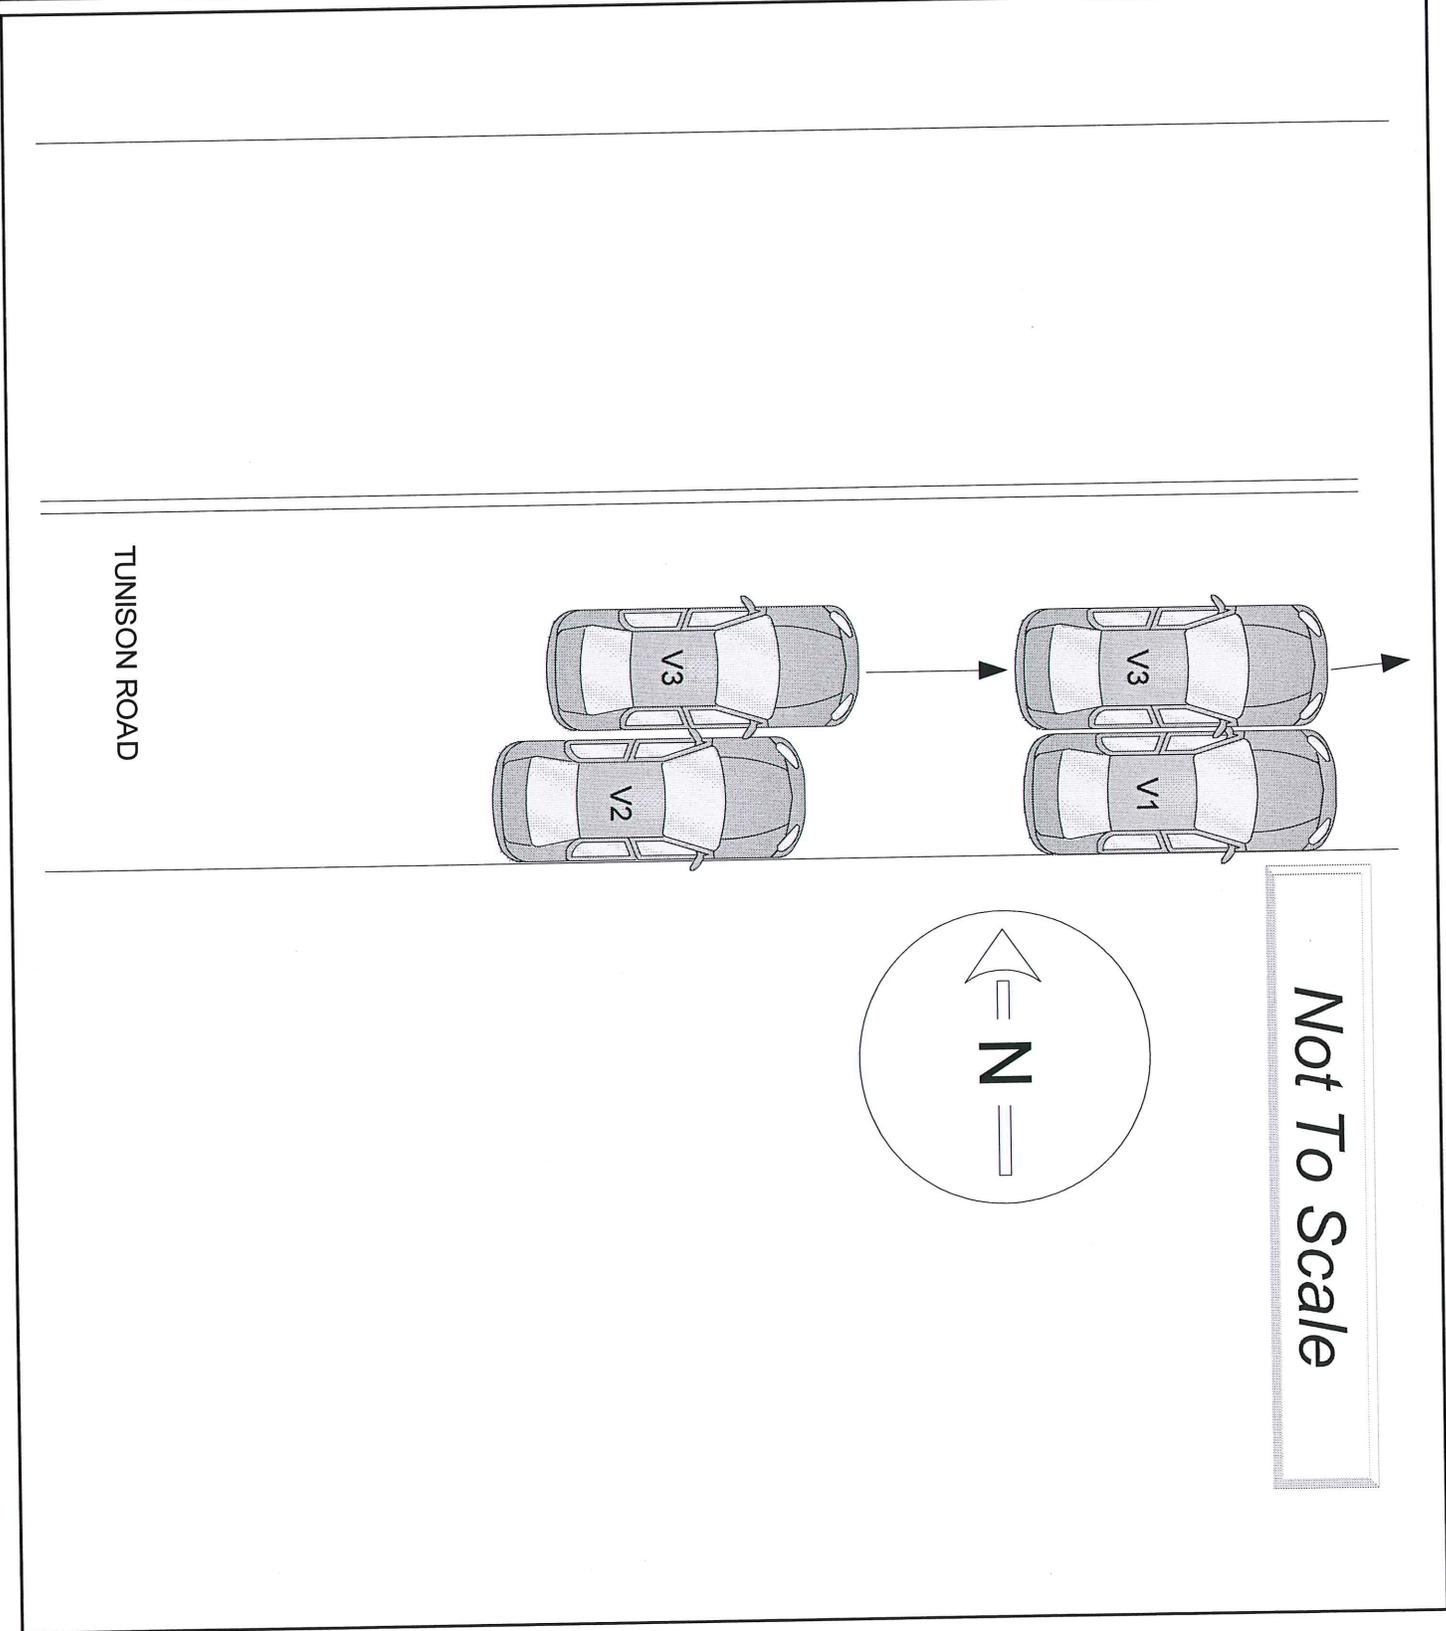

I then knocked on the door of 23 Stockton Road. The driver of vehicle 3 opened the door and immediately blurted out, "I was the one driving the car." The suspect was slurring his speech and was also unable to stand normally without falling over. I also detected the odor of an alcoholic beverage coming from the suspects breath and person. Based on my observations, I had reason to believe that the suspect was impaired so I called for Officer Ganzer, who specializes in DWI investigations. He then responded to 23 Stockton Road. See Officer Ganzer's supplemental report for further information.

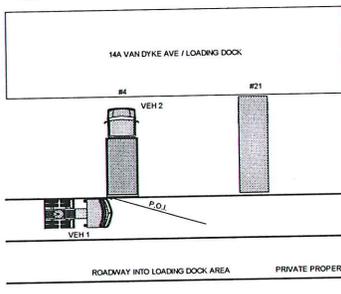

After Officer Ganzer arrived, I returned to 77 Tunison Road where I spoke with a witness, Thomas Slack, who lives at 79 Tunison Road. Slack stated that he was in his backyard and heard the crash. He was able to quickly look and observe a black sedan driving away. He stated that the driver of the vehicle was a young white male wearing a white t-shirt, which matched the description of the driver of vehicle 3 (N.J C94GMI). The witness also stated that there were no passengers in the vehicle.

135 Crash Description

Investigation: V1 was parked in front of 51 Comstock Street when V2 was traveling North bound on Comstock Street and struck/sideswiped V1. V2 proceeded straight ahead on Comstock Street towards Commercial Avenue.

Z1 stated: He was on the porch of his house (52 Comstock Street) when V2 came down the street and struck his vehicle which was parked across the street from him. Z1 added that after V2 impacted his vehicle (V1) he fled onto Commercial Avenue. Z1 followed V2 on foot and noticed that V2 parked on Commercial Avenue and Delavan Street. At that time is when Z1 called 911.

D2 stated: That he did hit the vehicle and left the area.

Let it be known that D2 declined EMS. V1 had damage to the driver side rear bumper and rear panel near the driver side rear wheel. V2 had damage to the passenger side front bumper and on the side of the passenger doors. It should be noted that the driver of V2 had two cans of Modelo beer open in his cup holders to the right hand side of the driver seat. The cans still contained beer inside of them when D2 was asked about the cans in his cup holders.

Nothing further to report at this time

135 Crash Description

Driver 1 stated that he was parking within the parking deck designated for patrons of Robert Wood Johnson University Hospital located at 180 Somerset Street, New Brunswick at the time of the accident. As he was pulling into a parking space he misjudged the distance and struck the rear driver side bumper of Vehicle 2, which was parked adjacent to the space he was trying to occupy. Vehicle 2 was parked immediately to the right. Driver 1 went on to explain that he struck Vehicle 2 with his front bumper.

Vehicle 2 was unoccupied at the time of the accident and at the time of my arrival, precluding me from obtaining insurance information on the vehicle. A handwritten note was left on the windshield of Vehicle 2 by myself, explaining the circumstances.
